

Making a Complaint

PingPong is committed to providing high-quality products and services, and we genuinely value your feedback.

Before lodging a formal complaint, we encourage you to contact our Customer Support Team via live chat, phone, or email. In many cases, we can resolve issues quickly and fairly at this stage.

If our Customer Support Team is unable to resolve the issue to your satisfaction, this page explains how you can make a formal complaint. We are committed to handling complaints in a fair, transparent, and timely way.

There is **no charge** for making a complaint to us.
